**Coach of the Year** RYAN WILLARD **School** STREETSBORO

- Coaches will vote for the player of the year using a 3-2-1 vote procedure. Secret ballots will be used and coaches may not vote for their own player throughout this selection process. The player with the most points will be the player of the year.
- Coaches will nominate their players by position and discuss nominations. Coaches will then vote for players using this numbering system: 1 for goalkeepers and 4-3-2-1 for forwards, midfielders and defenders. Coaches may not vote for their own players. The top four totals will be first-team forwards, midfielders and defenders, while the leading point getter will be the first-team goal keeper. Coaches must fill out complete ballots!
- Coaches may only nominate members from their own team unless a school is not present at the selection meeting.
- Ties for the player of the year, top goalkeeper, fourth-place forward, midfielder and defender are voted off by the coaches. Should a second tie occur, both players are included on the team.
- Following the first-team selection process, the same procedures are used to select second-team members.
- Coaches will conduct a secret ballot to choose the coach of the year. Coaches may not vote for themselves.
- Each coach will have the opportunity to name two (2) players as honorable-mention honorees.
