**Coach of the Year**     BJ Sanderson     **School**     Norton

1. Coaches will vote for the player of the year using a 3-2-1 vote procedure. Secret ballots will be used and coaches may not vote for their own player. The player with the most points will be the player of the year.
2. For first team, coaches will nominate players and then vote using a 6-5-4-3-2-1 system. A secret ballot will be used and coaches may not vote for their own player. The six players receiving the highest point totals will be first team. If a tie for the sixth and final position should occur, then coaches vote again on the players tied. If a second tie occurs, both players are named to the first team. *Note: A player must appear on at least two ballots to earn first- or second-team honors.*
3. Following the first-team selection process, the same procedures are used to select six (6) second-team members.
4. Coaches will conduct a secret ballot to choose the coach of the year. Coaches may not vote for themselves.
5. Each coach will have the opportunity to name two (2) players as honorable-mention honorees.
